About Your Business

We would like to know about your business ideas and what you have done so far towards bringing it alive. We are asking you to inform us in two ways. Firstly by answering some questions below and secondly by creating a business model canvas – template and examples are later in this form.

Name of Business:

What is your vision for the business?

What is your strategy for the business?

Where do you see your business at the end of the programme?

Outline of business

What is your business going to do?

What are the aims and objectives of the business?

What have you done so far towards building your business?

What are the benefits of your product/service?

Target Audience and Market Research

In addition to the Business Model Canvas, please add more detail here.

Tell us about who you see as your major competitors and how you will differentiate.

Pricing, Sales and risks

How will your product/service be priced?

What is your marketing and sales strategy?

What are the potential risks to the business?

Financial Information

What are your financial projections in terms of costs & revenue over the programme?

If relevant, what are your setup costs and how will you fund them?

Company Structure and Team

What is your company structure?

Who are your key team members?
What are the strengths and weaknesses of your current organisational structure and how do you plan to address any gaps?

Activity Planning - What are the main activities you are plan for your business to undertake?		
	Activities	Achievements
1st quarter		
2nd quarter		
3rd quarter		
4th quarter
